

Career Opportunity

Physician, Addiction Medicine

Exciting Opportunity:

Renascent, one of Ontario's leading addiction treatment providers, is building its medical team, and has an opening for an Addiction Medicine Physician. Part-time and locum opportunities.

For the successful candidate, the opportunity will provide a rich clinical team environment, bringing addiction medicine together with best practice clinical approaches within an accredited treatment program. As a client-centred program, there is a breadth of career opportunities including delivery of addiction medicine services within the residential program, delivery of educational and psychotherapy sessions, and assessment and consultations throughout the care continuum, from the assessment phase through to follow-up outpatient care. Currently seeking a physician with ability to serve clients at Renascent's Brooklin, Ontario, site.

About Renascent:

Renascent is one of Ontario's leading Addiction Treatment Providers, and one of the largest residential facilities in the province with over 90 beds. Accredited by the Canadian Centre for Accreditation, Renascent has nearly 50 years of experience, and collaborates broadly with hospitals, universities, primary care and the community health sector. Renascent has three treatment facilities in Toronto and one in Brooklin, Ontario. ***Renascent uses a client-centred, evidence-based approach in care delivery, integrating medical and clinical best practices with 12 step facilitation within an abstinence-based framework.*** Renascent's treatment program is trauma-informed and facilitates concurrent treatment of mental health and addictions.

Role & Responsibilities:

As an addiction medicine physician, your role will be to provide medical care to Renascent clients within the residential treatment program, and to work and collaborate with a strong clinical team. In addition to providing medical care to clients admitted to Renascent's programs, the role may also include clinical assessments prior to admission and outpatient follow-up care after residential treatment. Within Renascent's residential treatment program, there are also opportunities for delivery of educational and psychotherapy sessions with clients, as well as providing staff clinical education.

Qualifications:

- Membership with the College of Physicians and Surgeons of Ontario and the Canadian Medical Protective Association.
- American Board of Addiction Medicine (ABAM) or International Society of Addiction Medicine (ISAM) Certification.
- Demonstrated knowledge and experience in addiction treatment and medical practice.
- Strong communication abilities and team-oriented.
